INSTRUCTIONS FOR SCHEDULE B3 – IND

Use this schedule to itemize independent expenditures made by your committee to advocate the election or defeat of a state legislative, judicial or constitutional office candidate only.

Independent expenditure definition:

- An independent expenditure is an expenditure that advocates the election or defeat of a clearly identified candidate that is made without the express or implied consent, authorization, cooperation of, and not in concert with, or at the request or suggestion of any candidate, candidate's treasurer, or candidate's agent.

Reporting Instructions for Independent Expenditures

- List independent expenditures alphabetically by the last name of the candidate and the registration number that the expenditure was for or against.
- In the vendor column, list the name and address of the vendor paid. Use additional rows for multiple independent expenditures affecting the same candidate.
- Itemize an expenditure to a particular vendor only if your committee spent more than \$200 with the vendor on independent expenditures. For example, if your committee purchased a \$150 advertisement for candidate A and another advertisement worth \$60 for candidate B you would list the vendor for each candidate because total independent expenditures with the vendor exceeds \$200. You only need to provide the address of a vendor the first time you list the vendor on schedule B3.
- If you do not spend more than \$200 with a vendor on independent expenditures you do not itemize the expenditures to that vendor under any candidate's name. Instead you include the amount in the Non-itemized Independent Expenditure total at the bottom of the schedule.
- Be sure to indicate if each itemized expenditure was for or against the candidate.
- If your committee makes an independent expenditure that lists more than one candidate you must allocate the cost of the expenditure between the candidates and report the allocated amount under each candidate's name.
- Return a completed Affidavit of Independent Expenditures (on the bottom of this page) with your report.
