## EXECUTIVE SUMMARY

---

Minnesota's Ethics in Government Act (Minnesota Statutes, Chapter 10A) requires lobbyists to report disbursements for lobbying purposes to the Campaign Finance and Public Disclosure Board two times each year. The Act also requires lobbyist principals to file an annual report disclosing expenditures to the nearest \$20,000. This summary is based on the reports of lobbyist and principal disbursements made during calendar year 2007.

During 2007, 1,438 individuals were registered as lobbyists to represent 1,327 associations and individuals. Lobbyists filed 3,798 periodic reports for the twelve-month period. The lobbying disbursement reports disclosed a total of \$15,534,078 spent on lobbying activities.

Lobbyist Principals filed 1,261 annual reports for 2007. Lobbyist Principals reported making \$61,201,966 expenditures to support lobbying activities in Minnesota. This amount includes lobbyist salaries, advertising and public relations campaigns, and all other lobbying disbursements made by the principal and lobbyist.

Lobbyists reported that 1,024 (77%) of the 1,327 entities represented made disbursements for lobbying purposes. The reports disclosed that 93% of lobbying disbursements were made for the purpose of influencing legislative action, 5% of disbursements were to influence administrative action, and 2% to influence the official actions of metropolitan governmental units. See page 5 for a comparison of total lobbying disbursements by type of lobbying reported and total lobbying expenditures reported by lobbyist principals in 2006 and 2007.

Lobbyists must disclose gifts, loans, items or benefits equal in value to \$5 or more given or paid to officials by the lobbyist, the lobbyist's principal, or an employee of the lobbyist. Thirty associations reported giving items or benefits totaling \$10,517 to 108 legislators, three constitutional officers and 63 local and 8 public officials. See page 20 for definitions.

Lobbyists are not required to disclose their salaries. Neither lobbyists nor principals are required to disclose political contributions, which are disclosed by the recipients on periodic campaign finance reports.

Lobbyists for Education Minnesota reported the largest total disbursements during the period and the largest total disbursements for legislative action lobbying. Lobbyists for Big Stone II reported the largest disbursements for administrative action lobbying and lobbyists for the St Paul Area Chamber of Commerce reported the largest disbursements in attempts to influence metropolitan governmental units. Complete lists of the entities that reported making the largest amount of disbursements and the largest amount of disbursements by type of lobbying begins on page 30.

This summary also includes a list of associations and the lobbyists that represented each association during 2007 and the total amount of disbursements made. See page 38.

## LOBBYING OVERVIEW

---

### **What is lobbying**

Lobbying is attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit by communicating with or urging others to communicate with public or defined local officials. Any activity that directly supports this communication is considered a part of lobbying.

### **Who is a lobbyist**

For the purpose of this summary, “lobbyist” means:

1) An individual who is engaged for pay or other consideration of more than \$3,000 from all sources in a year for the purpose of attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit by communicating with or urging others to communicate with public or local officials;

2) An individual who is not compensated more than \$3,000 but spends more than \$250 in any year (not including travel expenses and membership dues) for the purpose of attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit by communicating with or urging others to communicate with public or local officials;

3) A non-elected local official or an employee of a political subdivision who spends more than 50 hours in any month attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit, other than the political subdivision employing the official or employee, by communicating with or urging others to communicate with public or local officials, including time spent monitoring any of the forenamed actions and related research, analysis, and compilation and dissemination of information relating to legislative, administrative, or metropolitan governmental unit policies in Minnesota.

### **Who is not a lobbyist**

1) An individual who merely communicates with a public official to obtain information or request an interpretation of a law, rule or agency action;

2) An individual who volunteers personal time to work without pay on a lobbying campaign and does not spend more than \$250 on lobbying activities; and

3) An individual who provides administrative support to a lobbyist whose salary and expenses are reported by the lobbyist and who does not actually lobby.

**About lobbyist registration**

A lobbyist must register with the Campaign Finance and Public Disclosure Board on behalf of each association or individual that the lobbyist represents. Registration information includes the name and address of the registrant; the name and address of the association (including officers and directors) or individual represented; the lobbyist’s reporting status, and a general description of subjects on which the lobbyist expects to lobby and the kind of action the lobbyist seeks to influence.

**Principal**

An individual or association that spends more than \$500 in the aggregate in any calendar year to engage, compensate, or authorize the expenditure of money by a lobbyist; or is not included in the definition above and spends at least \$50,000 in any calendar year in efforts to influence legislative action, administrative action, or the official action of metropolitan governmental units.

**Filing dates**

**Lobbyists**     •June 15            Disbursements made Jan 1-May 31  
                         •January 15        Disbursements made June 1-Dec 31
